FROM THE EAST

Brethren,

It's great to be a Mason. We have had a great year thus far. The lodge has gained new members that have shown a lot of interest, adding to our membership in multiple ways. Brothers as we propose new men for the three degree's of Freemasonry, let us continue to strive for quality men.

Our recent Lodge workday was a great success. Over 35+ man-hours were contributed by those participating. Both the interior and exterior maintenance project lists were completed. In addition to the upkeep of the Lodge property, improvements were made in the front of the building along Main St. A new set of flower beds with Mexican heather, mulch, and landscaping timbers were installed under the direction of our Senior Warden, Brian Johnston. For those who participated, you have truly contributed a lasting improvement to our Lodge.

Our charity for this quarter is the Yellow Ribbon Fund. The Yellow Ribbon Fund is a charity that helps returning American service members, injured during active service, who are recovering at Walter Reed Army Medical Center and Bethesda Naval Hospital. They do this thru transportation, lodging, activities, and mentoring. They also provide injured service members with an opportunity to learn job skills with a local company and to have meaningful interaction with the civilian business community. As July is the month where we celebrate our Independence Day, I am proud that we are contributing to our US service members. To contribute to those who serve and afford us the freedom we so enjoy.

Lastly, we will be announcing educational opportunities coming up here in the Lodge. Often we hear of how much there is to be learned concerning Masonry. We hope you will take advantage of these opportunities for knowledge as they are announced.

Did you know? The examination of a candidate for proficiency in the previous degree was first introduced in 1850 in Louisiana.

Hope to see you in Lodge,
Drew Wormington
Worshipful Master

FROM THE WEST

Brothers,

Here we are right in the middle of Jul, how time has flown by so quickly. I hope when you all attend lodge that you see the hard work that your fellow brothers have done, both inside and out. There was some heavy elbow grease put into it all. I would like to thank brother Domino for being able to get us mulch free and for all my fellow brothers that helped in sprucing up the front of the lodge. We are proud Masons, and we should be proud of the Lodge. I am sure it will now catch a few eye's in the area. I must say that maybe a few of us lost some weight in these chores that we done, but it was well worth the effort. I for one am very proud of my Lodge and it was very full filling to see the end product.

I wish you all the best and thank you all.

God Bless you and your families.

Brother Brian Johnston

FROM THE SOUTH

Brothers,

Last month saw our introduction to a familiar face, albeit in a new role. RW DDGM Frank Albinson and his committeemen made a visit and provided us insight into our new Grand Master's vision. The committeemen gave us updates on the upcoming efforts and challenged us to fulfill our obligations to the craft in future.

Have you noticed the difference? Maybe you missed it, but the lodge was given the old spit-n-polish on July 17th. A lodge work day was held and I want to thank those brothers that showed up and sweated out some of the cobwebs and added some nice updates to our exterior. Personally, I enjoyed getting some good work done in the fellowship of my brethren. I look forward to this being a regular event.

This month we see some great events on offer. Be sure to get involved in the work and volunteer opportunities. This will make our lodge stronger and give you great personal satisfaction!

May God be with you,
Kent Warman, Junior Warden

23rd October - Reserve the Date
