From the EAST:  
Brethren ;

Greetings from the East. The trestle board is still a work in progress. It will improve as the Lodge continues to improve and regain its strength. The return of our members and the addition of new members continue to make the Lodge stronger.

Remember – the Lodge will be dark during July and August with no stated meetings being held. **THERE WILL BE A CALLED COMMUNICATION on July 12** for the purpose of conferring the EA degree.

We encourage our brothers to attend and to bring friends from other lodges to help us make this a memorable beginning for our candidate. The degree is the only business that will be conducted that night.

The stated meeting on June 26 will be the last stated meeting until Sept. 13, 2010.

There will be no pot luck dinner on June 26, 2010. The officer's meetings will continue to be held on the first Wednesday of July and August.

The Lodge picnic will be held on August 1 (a Sunday) at the trailside pavilion at Coquina Beach. The pavilion has been reserved. Food will be available starting at 1 pm. The pavilion is close to the beach (hopefully no oil) and also reasonably closes to the rest room facilities. The shade around the pavilion will make it a pleasant afternoon. The menu will be: hot dogs, brats, hamburgers, potato salad, beans and coleslaw. Members are asked to bring desert. Come for the food, and the fellowship. The picnic is open to the members of Palmetto Lodge # 110, their families and guests.

If you check the secretary's column, the effort of growing our lodge is an ongoing activity. Come to lodge and be a part of it.

Fraternally,  
*Barry Swan*

## From the West:

Brethren,

Representing Palmetto Lodge at the 181<sup>st</sup> annual communication of the Grand Lodge of Florida was a great experience. I believe the action taken by the delegates to eliminate the standing committee on public school Education and the creation of the standing committee on Masonic Education, will have the most far reaching and positive effect on Freemasonry in Florida.

As our Grand Master stated, "we have to stop making members and start making Masons"

The mentoring program that has been announced, if implemented whole heartedly by our Lodges, can only have positive results.

The first and most important duty of a Masonic Lodge is to make "Good Masons". I look forward to working with the Officers and Members of Palmetto Lodge to accomplish this goal.

Another highlight of Grand Lodge was joining our Florida Lodge of Research and participating in a highly informative meeting with R.:W.: John Wermann as Worshipful Master. Three papers were presented.

I encourage our members to join their Lodge of Research. The dues are \$10.00, a real bargain considering the quality of the discussion and papers presented.

Carpe Diem my Brothers!

**Fraternally,**

Jim Fleming
